WELCOME

to the 2024 Ludwig's Corner Horse Show and Country Fair!
We're happy you're here!

I'm always humbled and proud of our community for the incredible contributions of time, expertise, and resources. Thank you!

This year, Bill Gondy and his business Simple Smart Solutions are providing much needed renovations to the Cupola Building between Rings 1 and 2. The Archie and Grace Berry Foundation has awarded us a grant to add a new schooling ring, pending township permits. Nathan Panetta and his business, Apex Arenas, LLC, will be providing installation.

Did you know you can rent the show grounds for your events? Just email rentals@ludwigshorseshow.com for more information.

We had some visitors this year in the form of baby goats. The Edge Farm brought over some of their ruminants to help clean up brush on the grounds. With a portable electric fence in place, these little cuties did their job and devoured a bunch of weeds. These goats are for hire!

Our beautiful Chester County has a rich agricultural history. Ludwig's Corner Show Grounds is looking to add educational programs reminding us of our rural roots. We'd love to hear your ideas for programs which could include farming, animal systems, farm-to-table food, home gardening, and farm transportation. Send your ideas to info@ludwigshorseshow.com.

Our beloved showgrounds, the heart of our community's celebrations and gatherings, is calling for volunteers to continue the tradition of creating memories for all. To our volunteers, thank you for your incredible contributions of time, expertise, and resources. If you'd like to be involved, please email info@ludwigshorseshow.com.

Good luck to all and we can't wait to see you!

Sincerely,
SARA JANE LUBRANO

Hunter Divisions

All hunter fences will consist of natural rails, coops, gates, in & outs, walls. All hunters judged on performance, manners and soundness. Jumping classes will be shown over approximately eight fences. Hunter under saddle classes will be shown at walk, trot and canter both ways of the ring. Light contact with the horses mouth is required. Suitability will be emphasized in all pony classes.

Hunt - Fox Hunters

Shown over a course simulating obstacles in hunting country. Judged on performance, soundness, manner and suitability as field hunters.

Hunter Derby

To be judged on an even hunting pace, manners and way of going and style of jumping. To be eligible, a horse or pony must have been entered, shown and completed the course in at least two over fences classes at this show. Entries will jump one round of approximately ten fences. The top 12 entries will return to jump a second round of approximately eight fences. The entry with the lowest score will return first. Scoring of the two rounds will be cumulative.

Jumper Division

A category of classes in which the horse's (or pony's) score is based on a designated number of fault points for each jumping and/or time error. The overall object of the jumper class is to test the horse's ability to jump difficult obstacles without errors within a specified time.

Equitation Division

The rider's ability alone is judged. Hunter seat equitation riders compete either over fences or on the flat, and are judged on position and their ability to produce an accurate performance.

Leadline, Mini Stirrup & Shortest Stirrup

For young children in which the rider's ability, dress and suitability of mount is judged.

The Family Class

Two or more riders from the same family are judged on performance and unity as a group. Shown at the walk and trot both directions.

T.I.P.

Open to thoroughbreds registered with the Jockey Club, competing as hunters or jumpers.

Model & Handler Classes

Horse or pony to be shown in hand and moved on the line. To be judged on the presentation of the animal, neatness and appearance of the handler, and overall condition of the animal. Conformation will not be a determining factor.

Hunters, Jumpers & Equitation were featured Labor Day Weekend at the **80th Annual Ludwig's Corner Horse Show & Country Fair**. Congratulations to all our winners!

Many thanks to our competitors, spectators, sponsors, donors, volunteers and friends who continue to support our annual event - LCHSA's largest fundraiser during the year. We could not do this without you!

What our customers say about us

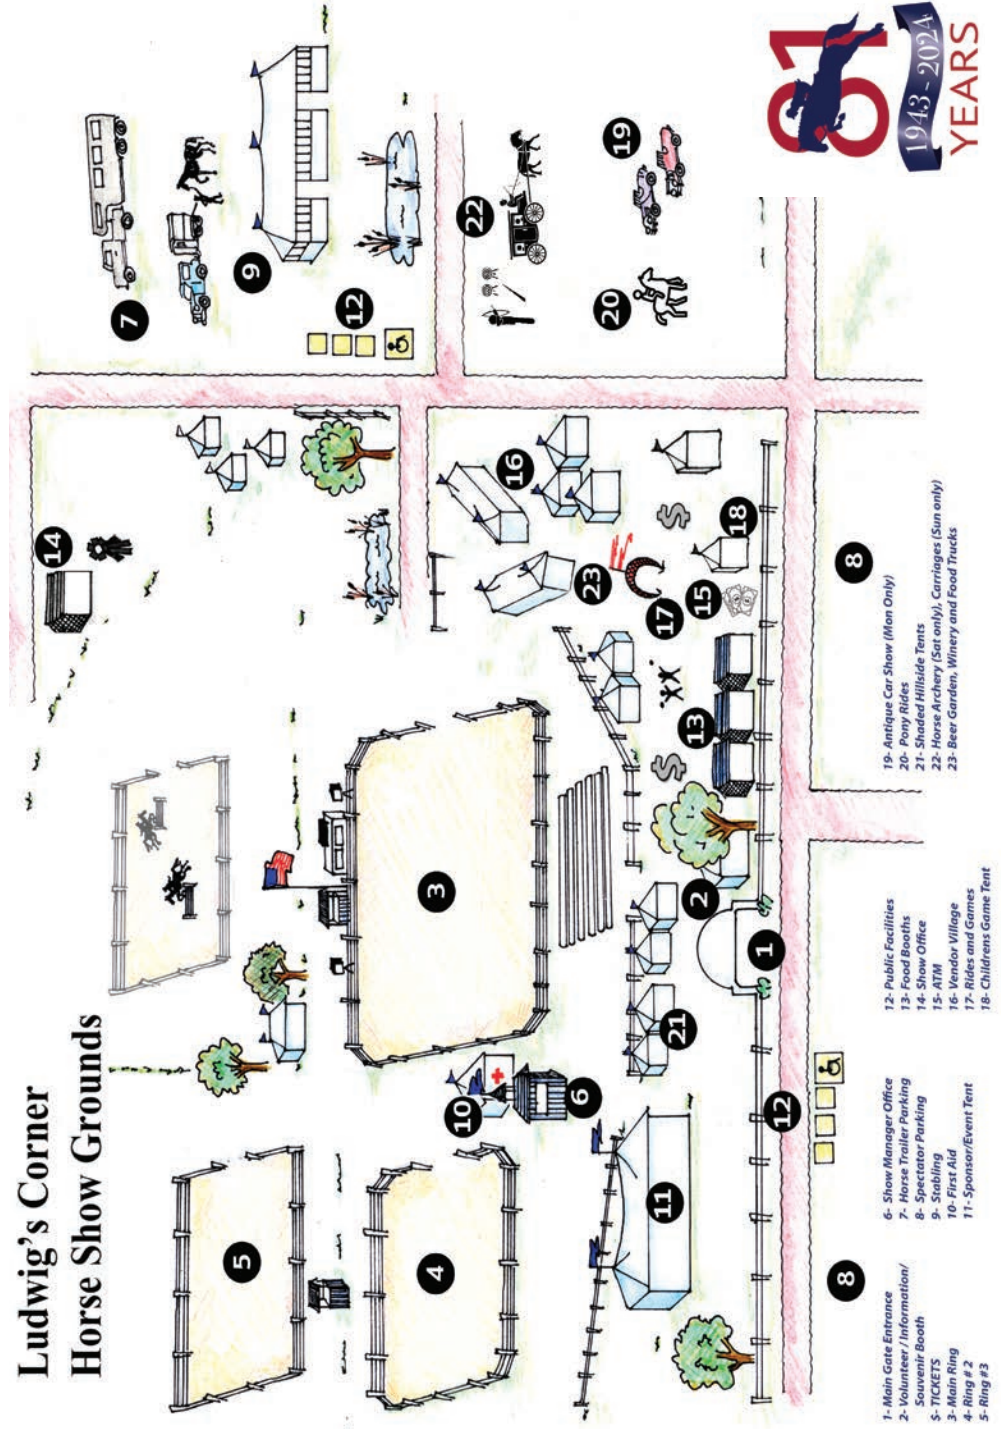

- ★★★★★ 8 months ago
 I have joined my daughter for art class with Monica about 2 months ago. She has been thoroughly enjoying the sessions and looks forward to it every weekend. My daughter's motor skills has improved quite a bit and her attention span has widened to a great extent. Monica is very very patient and gives understandable instructions only. From drawing to coloring, using oil pastels, and various other techniques, Monica has a unique way of teaching which makes it easy to understand. She's very good in handling kids and makes the entire session very interactive and enjoyable. We are glad to have found Monica!
- ★★★★★ 16 minutes ago
 I came to know about Monica somewhere in the beginning of 2021. We live in separate time zones still she accommodated our entire class on the day on which I was able to join. She made me do blending of acrylic colors over and over again. At that time it was really frustrating but now doing blending on Ganestha by myself and achieving somewhat satisfactory results means that Monica's patience paid off. She is very patient and creative. It was pleasure learning from her and hopefully I will be able to do more projects with her.
- ★★★★★
 Excellent piece of art by Monica, she is so friendly, passionate and nice to work with. I was instantly connected to the painting. It is eternal.
 Purchased item: Cute Pinkies necklace
- ★★★★★ 8 months ago
 I have attended Monica's session. It was a session and Monica is an excellent tutor. She is very patient and helped us make our own choices along the way. Whole heartedly recommend her.
- ★★★★★ 8 months ago
 Monica is a very skilled teacher and has a great way of teaching people how to create the art in a very fun way. She has a very encouraging energy and is very kind. She will make sure that everyone understands the work and feels interested.

Dr. and Mrs. Donald Rosato wish all the competitors a wonderful show.

LCHSAF wishes to thank the Rosatos for their continued support to the show and open space
