WELCOME

to the 2025 Ludwig's Corner Horse Show and Country Fair!

Welcome to another exciting year at our historic Labor Day Weekend Horse Show and Country Fair. For over eight decades, our community of equestrians, neighbors and friends has gathered here to celebrate horsemanship, tradition, and the joy of coming together in this beautiful corner of Chester County.

This year, we are especially proud to showcase the improvements we've made to our grounds and facilities including a new expanded schooling ring with new GGT footing (Apex Arenas) and new fencing around the show grounds (J-Mar Fencing, LLC). All of this was made possible by the funding of the Archie and Grace Berry Foundation and we thank you!

Come join us Saturday and Sunday, 4-9, for a perfect evening at our new Sunset Grill. Relax with drinks, enjoy delicious bites from the food truck, and watch the sun dip below the horizon in one of Chester County's most scenic spots.

We are deeply grateful to our competitors, volunteers, sponsors, and spectators whose dedication and enthusiasm keep this tradition alive year after year. Whether you're here to compete in the ring, cheer from the rail, or simply enjoy the country fair atmosphere, your support fuels our mission to preserve open space, promote equestrian sport, and provide a place where our community can thrive.

On behalf of the entire Board and our hardworking team, thank you for being part of the **Ludwig's Corner Horse Show** family—we look forward to a weekend of great competition, camaraderie, and fun for all.

Sincerely,
SARA JANE LUBRANO

HORSE SHOW CLASS DESCRIPTIONS

Hunter Divisions

All hunter fences will consist of natural rails, coops, gates, in & outs, walls. All hunters judged on performance, manners and soundness. Jumping classes will be shown over approximately eight fences. Hunter under saddle classes will be shown at walk, trot and canter both ways of the ring. Light contact with the horses mouth is required. Suitability will be emphasized in all pony classes.

Hunt - Fox Hunters

Shown over a course simulating obstacles in hunting country. Judged on performance, soundness, manner and suitability as field hunters.

Hunter Derby

To be judged on an even hunting pace, manners and way of going and style of jumping. The class format will consist of two phases (not two rounds); one Classic Hunter Phase, and one Handy Hunter Phase. The phases will be jumped consecutively with no break in pace. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusal, etc.) are incurred. Major penalties (falls, three refusals, off course, etc.) will result in elimination. Bonus points of one point per high option jump will be added to the score.

Jumper Division

A category of classes in which the horse's (or pony's) score is based on a designated number of fault points for each jumping and/or time error. The overall object of the jumper class is to test the horse's ability to jump difficult obstacles without errors within a specified time.

Equitation Division

The rider's ability alone is judged. Hunter seat equitation riders compete either over fences or on the flat, and are judged on position and their ability to produce an accurate performance.

Leadline, Mini Stirrup & Shortest Stirrup

For young children in which the rider's ability, dress and suitability of mount is judged.

The Family Class

Two or more riders from the same family are judged on performance and unity as a group. Shown at the walk and trot both directions.

T.I.P.

Open to thoroughbreds registered with the Jockey Club, competing as hunters or jumpers.

Model & Handler Classes

Horse or pony to be shown in hand and moved on the line. To be judged on the presentation of the animal, neatness and appearance of the handler, and overall condition of the animal. Conformation will not be a determining factor.

Thank you for supplying all the plants in the Rosato Oval again this year!

A Step Up in Tradition

The Ludwig's Corner Horse Show

Association extends its heartfelt thanks to KCS Equine LLC for the generous donation of the new Rosato Oval mounting block. This beautifully crafted mounting block, constructed by Balabros LLC, will be proudly stationed outside the Rosato main gate for the LCHSA 82nd annual horse show.

KCS Equine LLC's thoughtful contribution enhances the experience for riders and guests, and exemplifies the spirit of partnership that supports the ongoing success of the event. LCHSA deeply appreciates this generosity and commitment to the community.

Thank you! | Ludwig's Corner Horse Show Association

We would like to extend our deepest gratitude to **Bill Gondy** for his many years of dedicated service as a board member and grounds person of the Ludwig's Corner Horse Show. Bill's hard work and vision have left a lasting mark on our show grounds—whether it was organizing youth painting parties to bring fresh energy and community spirit, restoring and upgrading our buildings, or lending his skills to construct a judges' booth and wash stall. His commitment, leadership, and countless hours of volunteer service have enriched both our facilities and our community, and we are truly grateful for all he has done to make the show a success year after year.

We are sincerely grateful to **Doreen Murner** for her outstanding volunteer service to the Ludwig's Corner Horse Show Association as our Volunteer Chair. With her incredible people skills and tireless dedication, Doreen has kept our Labor Day Weekend Horse Show and Country Fair running smoothly year after year. From designing and implementing the volunteer sign-up app, to organizing the volunteer tent, distributing T-shirts, guiding volunteers to their assigned spots, and assisting with paperwork from their organizations, she has handled every detail with grace and efficiency. Her commitment and enthusiasm have not only supported our event's success but have also created a welcoming and enjoyable experience for all of our volunteers.
